INTEREXCHANGE TELECOMMUNICATIONS SERVICE

3.0 COMTEL TELCOM ASSETS LP DESCRIPTION OF SERVICE (Continued)**3.3 Service Offerings (Continued)****3.3.1 Rate Plans (Continued)**

Excel 818 Long Distance Plan - The Excel 818 Long Distance Plan is an outbound service (non-operator assisted, direct dial) available to residential Customers. Customers can access the Excel 818 Long Distance Plan by dialing 1 + (area code when necessary) + NXX-XXXX if they have selected Excel as their primary interexchange carrier. If Excel is selected as the primary interexchange carrier, Customer must first be entered into the Excel billing database in order to receive the Excel 818 Long Distance Plan rates. When Excel is not the presubscribed interexchange carrier, Customers can access the Excel 818 Long Distance Plan by dialing 10-10-818 + 1 + area code (if required) + NXX-XXXX. In addition, Excel may offer alternative access methods (e.g., via a toll free number) for the Excel 818 Long distance Plan. Calls are routed over Carrier's transmission and switching facilities to any valid NPA-NXX. Term plan options and Excel's Minimum Usage Fee do not apply to Customers of this service.

Customers of the Excel 818 Long Distance Plan may choose billing through their local telephone company, where available, or electronic billing directly from Excel. Customers selecting the electronic billing option with Excel must also enroll in Excel's Recurring Payment Plan as described in Section 4.1.14 of this tariff.

3.0 COMTEL TELCOM ASSETS LP DESCRIPTION OF SERVICE (Continued)**3.3 Service Offerings (Continued)****3.3.1 Rate Plans (Continued)**

Excel Unlimited Long Distance Plan - The Excel Unlimited Long Distance Plan is a flat-rate unlimited long distance calling plan intended for residential customers. For a Customer to receive the Excel Unlimited Long Distance Plan, Customer must be entered into the Excel billing database, and Excel must be selected as the primary long distance carrier for Customer's telephone number. The Excel Unlimited Long Distance Plan may be accessed by using 1+ dialing.

Customers of the Excel Unlimited Long Distance Plan may choose billing through their local telephone company, where available, or electronic billing directly from Excel. Customers selecting the electronic billing option with Excel must also enroll in Excel's Recurring Payment Plan as described in Section 4.1.14 of this tariff.

Excel does not prorate the final monthly charges for the Excel Unlimited Long Distance Plan. If the Customer's service is discontinued prior to the conclusion of a billing period, the Customer will remain responsible for the monthly charges for the entire billing period. Term plan options do not apply to Customers of this service. The unlimited domestic long distance usage is available for residential voice use only and applies to non-operator assisted, direct-dialed domestic calls. Use for home office, small business, large commercial business, or other commercial use is prohibited and may result in termination of the service.
