

Excel Value 3.0 Long Distance Plan

Excel Telecommunications is pleased to announce one of the most competitive long distance rate plans in the market. With an aggressive U.S. interstate per minute rate and extremely competitive in-state and international rates, you will have access to Excel's nationwide quality network and may realize significant bottom line savings.

Personalized Solutions Backed by Superior Customer Service

1+ and Toll-Free Calling

Interstate and In-State Rates

- No day-of-the week or time-of-the day restrictions, just savings around the clock
- Interstate rate of \$0.0300 per minute for outbound and inbound calling
- See page 2 for low in-state rates

International Calling

Global savings to over 235 countries

- Competitive international rates (See pages 3 and 4 for rates)

Competitive Billing Increments

Save more by paying only for the time you use.

- Interstate and in-state 1+ toll, inbound toll-free, and international calls billed in 6-second increments with an 18-second minimum. Calls to Mexico billed in 60-second increments with a 60-second minimum.
- No monthly minimum usage fee or requirement

Convenient Invoicing

View your invoices online and pay online

- No paper bills with the convenience of the E-Invoicing option
- Invoices available for online viewing, printing, and payment
- Payments can be made online via check or credit card
- Sign up for automatic payment of your invoice via credit card

Effective 07/01/2009
